

**PROTECT
YOUR
GEAR**

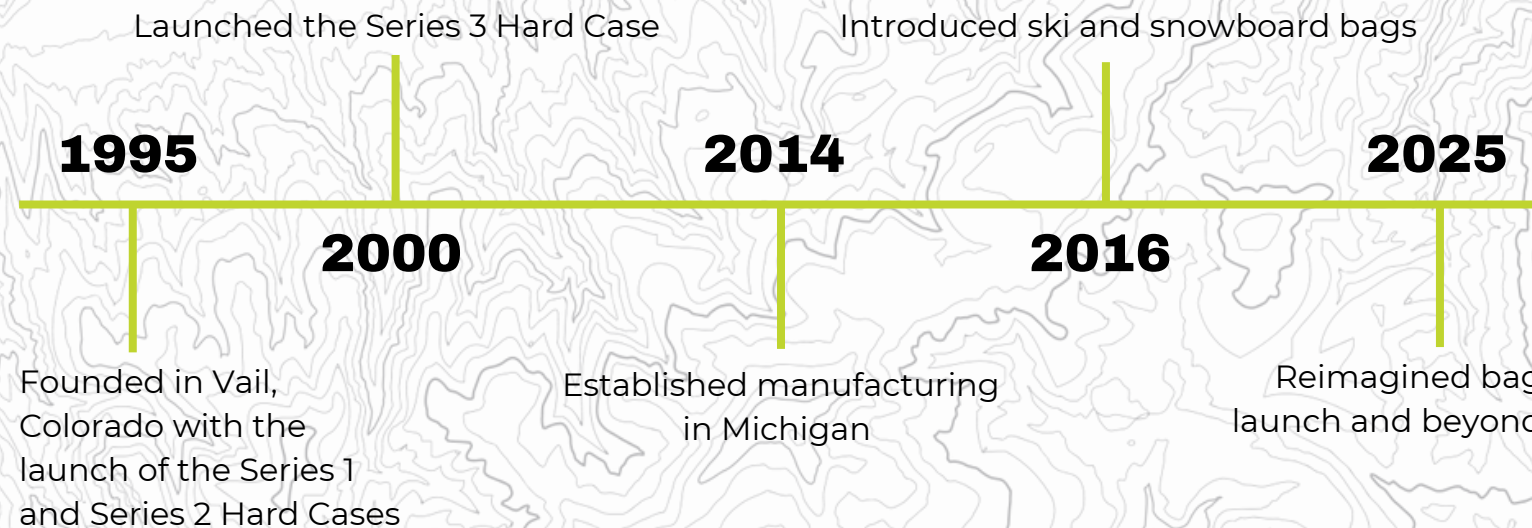

Introduction

A LEGACY OF PROTECTION

For three decades, Sportube® hard cases have been the leader in premium winter sports gear protection; trusted by discerning travelers and outdoor enthusiasts worldwide. Proudly manufactured in the USA with durability, functionality and timeless quality in mind, every detail is engineered to meet the demands of passionate explorers. Our legacy is built on protecting the gear that fuels your pursuits.

ON THE HORIZON

Rooted in decades of expertise, our reimagined bag collection is inspired by the rugged beauty of the birth place of Sportube, the Vail Valley. Crafted with meticulous attention to detail, each bag combines modern upgrades with the same durability and protection that define our legacy. Designed for adventurers and built to last, this new line delivers elevated performance for wherever your journey goes next.

Ski & Board Cases

HARD CASES

The ultimate travel protection for skis, snowboards and other adventure gear. Hard cases offer robust, impact-resistant exteriors that ensure your gear stays safe no matter the journey.

Boot Bags

TOASTER™

Keep your boots warm with this heated boot bag. Heat at home or on the go, making for a quick and comfortable change into your boots. Featuring a spacious interior for up to 2 pairs of boots or 1 pair with helmet and gear. It offers a durable, travel-friendly design that ensures your equipment is protected and primed for the slopes. This bag is a true luxury that is built to last.

 Hitchin' Technology

 Heated

- Padded handle
- Stowable backpack and waist straps
- Fold out foot stomp pad for easy changing
- 3 Heat settings up to 130F/53C
- 2 Power Sources - 120V AC Plug and 12V DC Car Plug

COLORS

CAPACITY	58 Liters
WEIGHT	2.5 kg / 5.4 lbs
MAX BOOT SIZE	34
MATERIAL	1680D Ballistic & 600D PVC Coated Polyester

FREERIDER™

The largest capacity boot bag in the lineup, featuring padded boot compartments to keep boots accessible and separate from dry items. Its spacious main compartment fits helmets, jackets or even a second pair of boots. Designed with premium fabrics and extra protection where you need it, this bag will go the distance for those carrying lots of gear.

 Hitchin' Technology

 Pairs with Ski Shield Ski Bag

- Hitchin' Technology attaches to compatible ski bags and cases
- Stowable backpack and waist straps for comfortable carry
- Large interior section can store a second pair of boots or more gear
- Padded front and top handles
- Fully padded and vented separate boot compartments
